

Clayton Greenway, DVM, DACVECC

Dr. Greenway, an experienced Criticalist, attended Texas A&M University, where he completed his undergraduate, graduate work and veterinary schooling. (He also worked in the Texas A&M ICU for seven years.)

After veterinary school, Dr. Greenway accepted an internship at Fort Lauderdale Veterinary Specialists in South Florida, followed by a residency in emergency and critical care at Cummings School of Veterinary Medicine at Tufts University in Massachusetts.

He has spent most of his time practicing veterinary medicine in San Antonio, TX since his Post Graduate Clinical Training.

Currently Dr. Greenway holds his veterinary medicine license in the state of Florida, Texas and New Jersey and has a particular interest in working on respiratory cases.
