

Kimberly Golden, DVM, DACVIM
Department of Internal Medicine

Dr. Golden obtained her veterinary degree from Ross University, School of Veterinary Medicine in St. Kitts.

It was during her clinical year of veterinary school at the University of Florida where she discovered a keen interest in internal medicine.

After pursuing a one-year small animal rotating internship at Bay Area Veterinary Specialists in California, she pursued a one-year internal medicine internship at Memphis Veterinary Specialists. She then completed a 3-year internal medicine residency at BluePearl Veterinary Partners in Michigan.

Subsequently, Dr. Golden has worked in San Antonio, Texas and Long Island, NY.

She enjoys forming long-lasting relationships with clients while working together to determine the best treatment plan tailored to each individual patient.

Dr. Golden has a special interest in feline medicine, gastroenterology, and immune-mediated disease.

Outside of work, Dr. Golden enjoys traveling, weightlifting, paddle boarding, and almost any outdoor activity – and has a soft spot for pit bulls, cats and geriatric patients.
